"Saving Yesterday for Tomorrow"

Tree Planting Donation

A donation of time and materials has been made to plant and irrigate 25 - 3" live oak trees, approx 8' tall - around the show grounds where we have lost shade due to the drought the last few years. The only cost to the club will be the purchase of the trees themselves at \$60 per tree.

Locations for the planting have already been determined and the club is offering a unique opportunity for members and friends of the club to help with the cost of the project by making an **individual tree donation** of \$60 or more.

Any donations to the project are always welcome, but recognition of the **individual tree donations** will be commemorated by a single plaque with the names off all **individual tree donations** to be placed in a high traffic area, NOT BY THE TREES THEMSELVES. Opportunity for donations will remain until the cost of all the trees has been covered, so if you are unable to raise the money by the 22nd, but would like to participate, don't worry, the opportunity remains.

Donor Information (please print or type)

Name _____
Billing address _____
City, ST Zip Code _____
Phone 1 | Phone 2 _____
Fax | Email _____

Pledge Information

I (we) pledge a total of \$ _____

Acknowledgement Information

Please use the following name(s) in all acknowledgements: _____

I (we) wish to have our gift remain anonymous.
